No. 15

DR. JOHN R. FRANCIS.
An educator, and one of the leading physicians in this country; no
doubt the next Surgeon-in-Chief of the Freedmen's Hospital.

ARCHBISHOP
KENRICK

Hawkins played the baby act.
THE BEE knew that he lied on deputy Collins.
Col. Holland deserves a medal.
We often judge an innocent man guilty.
All men are innocent until proven guilty.
Hawkins is nervous.
The guilty man will very often implicate innocent people.
What is the world coming to?
In course of time it will be ashes.
The republican party is the colored man's friend.
It is the great man who does great things.
Never make promises that you cannot fill.
A man who cannot be pleased by any woman is a bachelor.
Bachelors find more fault than honest men.
All honest men are not bachelors.
Hawkins will implicate others.
It is not so much of a crime to steal, as it is getting caught.
This was the opinion of Judge Snell at one time.
Lawyers should not lie to their clients.
It is easier to tell the truth than a lie.
It always pays to tell the truth.
The thief runs when no one pursueth.
A good run is better than a bad stand.
Dorsey Seville is an organizer.
Bob Brown's coat was the center of attraction on the 5th.
Maryland republicans will be united.
The republicans in Maryland will get together no doubt.
The Ohio republicans will unite on the state ticket.
What is Senator Foraker doing?
Always watch a man who shows his teeth.
The man who grins with every one is a dangerous animal.
If a man does one favor for you, you never get through paying him.
If you do 99 favors for your friend and fail to do the hundredth you get no credit for the 99.
The colored republicans will fight nobly in the fall campaign.
There is only one good steam boat man in town and his name is Patterson.
There should be a change in our High and Normal schools.
The BEE is a true colored American and a National Independent.
Don't be alarmed when you hear a noise.
The force in the recorder's office is to be reduced.
The Public Printer will do what he can for the colored printers.
There are few colored democrats who hold to their belief.
Major Brackett never gets nervous.
He takes things as he finds them.
The man who wins in a fight, is the one who holds out to the last.
Disappointments are for us all.
Sweet dreams, and flowers to smell make one happy.
Why is the world in such a stew?
Think of the one who is true always.
Pretended friendship is found in the heart of a knave.
Deception is found only in knavish hearts.
Do you know what the world is doing?
Think only of those who are true and honest.
This is a wicked world and the people in it are players.
Take what you can get.
This is not an age of getting what you want.
Recorder Cheatham is making a record.

THE SIDE

Some men think all girls are... but they are mistaken. The fault with some girls is, they are not men to become too well acquainted with them. Men are peculiar beings, the more distant you act toward them the more they respect you. I don't approve of even a girl telling her husband all of her affairs before marriage, as it terminates in no good. It is not necessary to go in for the young man, even if he is engaged. After marriage is enough for one to wear mourning should her husband die, and even if some men are not worthy of the respect.

Books, flowers and stationery are accepted with propriety from a gentleman. I don't approve of men bringing girls always supplied with books and fruits.

Because your girl friend insists on going the direction she thinks she should go, you should go with her. Don't let yourself be over-persuaded in a small case. I like a womanly one. One who has an opinion and sticks to it.

The people who suspect everybody are themselves guilty of some grave offense.

The most corrupt men, are those who are always on the alert. They only seek their degradation and shame. You cannot get a man's principle, because he is like to see certain fine qualities in a girl.

It is no means marry a bachelor, as he is worse than an old maid. Old maids will marry if they get chance and may prove to be very acceptable wives; but an old bachelor or will try to know entirely too much about household affairs, to make agreeable husband.

When you introduce your friend, don't say "this is Miss...". It is better to say "this is my friend...". It is better to say "this is my friend...". It is better to say "this is my friend...".

When you go to visit your kin, you should by all means bring them some little present, as a token of remembrance while in the city. Also don't take your worse wear, as you, as country people, expect a great deal of city people, they are more apt to notice your shabby garments than your city friends.

Whispering in company shows lack of good manners, as does laughing on the street, or a bevy of girls talking on the street corners, discussing young men.

S. Teacher:—How can you expect for your pupils to honor the house God when they see and hear you whispering throughout the time of school. You must practice your teaching, or else resign your position.

No one knows the misery that marriage brings forth but those who are married and not living happy. It is very easy for a single girl to give married sister points on how to manage a husband.

It is not wise to imagine a thing when talk about it. Fuss makers draw upon their imaginations.

Some people are the most comfortable when they have succeeded in making others uncomfortable. No doubt, is the case with the man whom you refer.

It is said that nothing is so soft as "but love will soften," but take advice and don't marry the man who has a mean disposition. It will waste your life with him.

Don't boast of your own superiority. The more you love with yourself, the less you will prosper.

Red, brown, gray and black are the fashionable hair colors. If your hair is seen, similar to a girl's hair goods, only the hair is not so smooth, but this will not be well, as it is not very durable in weather.

Skirts have come down to five yards and some much narrower. They are also seen touching the street. The coming of trails is rumored.

Never accuse a person except you know he is guilty. We all have impaired judgement at times.

When men speak of women in a cynical manner it shows rudeness on their part, as well as an insult to their mother and sisters.

It is amusing to see some would-be "big men," trying to act big and command because other do not see their weakness.

Barnes history of Egypt is the "twelve labors" of Hercules.

S. S.—Never use words of large syllables except you know the meaning, or you will be ridiculed.

Francis—You should not go anywhere without your parents' consent. An obedient child is usually loved.

Girls of sixteen, should be interested in their books and not in young men. You can with propriety make your debut at eighteen.

A man of thirty summers can certainly associate with ladies from fifteen to twenty years of age. I am of the opinion that a man is really not possible or capable of entertaining properly until he is at least twenty-five. Never listen to a tell-tale. The person who will bring news will carry the news.

SECRET ORDERS EDITORIAL SYNOPSIS.

There is one thing that must be taken into consideration relative to the running of Orders in this day and time, viz: Intelligence will predominate over ignorance. In looking around it will be found that in this day and time if you are not up to the times you are removed from the scenes of action. In order to cope with the progress of the times, you must have intelligence individually or be able to command the use of the same from others who possess these qualifications. There is everything in leaders understanding their positions and not allowing this one to pull them by the nose and that one to follow suit. What is the result? Confusion follows; the moment confusion enters, bad results are the consequence. Every man who aspires should be able to master the situation.

[General Orders No. 4.]

Grand Commandery

Second. The Grand Commandery of K. T. will convene the first Monday in October for the transacting of business and the election of grand officers.

Third. Committees will have their reports in the office of grand recorder on or before October 2d; also commandery reports.
